

Public Notice

- The pay rate for a County Road Commissioner in Lake County is \$4,680.72 per year.
- The Lake County Road Commission does plow on the weekends during the winter season, we have a night shift that keeps US-10 and M-37 clear of any snow we get throughout the winter. For County Roads, employees will be called in if there is at least 3” inches of snow or more or as conditions warrant.
- Due to the increase of electric vehicles and more fuel-efficient vehicles, all Road Commissions have taken a loss on their budgets due to not as much funding from gas tax as with more and more of those vehicles being used, less gas is being bought.
- Throughout the whole year, the Lake County Road Commission has a member of management on call 24/7 each day of the week and every weekend.
